Our simple uniforms are beneficial because they ...

- **Promote cohesiveness in the student body.**

Schools nationwide are welcoming diversity into their student body, with a wide range of backgrounds and different economic status'. At HIH we strive to create an environment where all children feel welcome and safe.

- **Provide an appropriate standard of dress.**

Uniforms offer an added layer of protection for the children and staff by ensuring all clothing is appropriate for school.

- **Reduce cost of "school clothes."**

Families can purchase uniforms from the store of their choosing. Affordable options include: School run uniform sales, Target, Old Navy, Children's Place, used clothing stores, and many other retail options.

- **Allow younger children the opportunity for independence by dressing themselves.**

Children often find it is easier to have a few options to select from that are school appropriate, as some children get overwhelmed by having to choose from a large selection.

- **Help eliminate distractions.**

Children can be distracted by the clothing that is worn to school and may be influenced by the on clothing worn. Wearing a uniform helps to eliminate this distraction.

Fanwear Friday
On Fridays, students have the option of wearing casual bottoms (no rips/ holes or pajamas) with a HIH branded or uniform top. Collared shirt is not required.
