

Uniform Policy

Uniforms are required in preschool - junior high.

Our simple uniforms are beneficial because they ...

- **Promote cohesiveness in the student body.**

Schools nationwide are welcoming diversity into their student body, with a wide range of backgrounds and different economic status. At Highcroft, we strive to create an environment where all children feel welcome and safe.

- **Provide an appropriate standard of dress.**

Uniforms offer an added layer of protection for the children and staff by ensuring all clothing is appropriate for school.

- **Reduce the cost of "school clothes."**

Families may purchase uniforms from the store of their choosing. Affordable options include: School uniform sales, Target, Old Navy, Children's Place, used clothing stores, and many other retail options.

- **Allow younger children the opportunity for independence by dressing themselves.**

Children often find it is easier to have only a few options to select from that are school appropriate, as some children get overwhelmed by having to choose from a large selection.

- **Help eliminate distractions.**

Wearing a uniform helps to eliminate distractions caused by current fashion trends.
